Round table
School in Japan
Current Challenges and Evolutions

Monday, March 18, 2019
Room Z1-202 | 16.00 - 18.00

Eleven Japanese researchers in Educational Sciences from nine universities in Japan (Chiba University, Osaka City University, Hiroshima University, etc.) are visiting Bielefeld University from March 13 to March 22, 2019.

This round table will allow to meet them and discover the Japanese school system and its current transformations. Further discussions will address topics such as inclusive education, teacher training and school development both in Germany and Japan.

*The presentation will be held in English. It will be followed by questions and discussions in English and German. The event is open to all students and staff from Bielefeld University.*
